The legal foundation of the contemporary European security order is the Treaty on Conventional Armed Forces in Europe (CEFC) negotiated by NATO and the Warsaw Pact states as the Cold War was ending and implemented as the new Europe took shape. The treaty imposes strict limits on the armed forces of all the major European states.

-- Thomas M. Nichols, Microsoft

Current position: 2008, United States Naval War College, Newport, RI

Professor of National Security Affairs, Senior Associate, Carnegie Council on Ethics and International Affairs

The Kingdom's growing security responsibilities require rapid and substantial military investments. Nawaf Obaid, Visiting Fellow at the Belfer Center, will outline a comprehensive Saudi Arabian defense doctrine and explain why the Kingdom is likely to:
